A blonde woman with long hair is lying on a green surface, possibly a bed or couch. She is wearing a white, short-sleeved top. Her right hand is resting on her hip. In the foreground, a large, tanned leg is visible, partially obscuring the woman. The background shows a window with a grid pattern. The text 'riley' is written in a large, stylized, pink-outlined font in the top left corner. Below it, the text 'princess probes-a-lot' is written in a smaller, white, italicized font.

riley

**R**iley Evans just returned home from a porn shoot but she's still horny. Her scene partner took all morning to get hard, and when he dropped his load, he only shot a tiny spritz across her face. That won't cut it for Riley, who only got into porn to fuck. She kicks back on her leather sofa, spreads her legs and rubs her clit. Immediately she starts getting wet as she starts rubbing herself faster. Her whole body shakes as she's about to cum. Suddenly, she unleashes a huge moan and a load of her own sweet juices all over her sofa. Out of breath, Riley pants and says to herself, "No one can fuck me better than I can." But her sofa has a huge wet spot on it. Looks like this return princess will have to get on her hands and knees—and clean the sofa herself! ♥

meggan

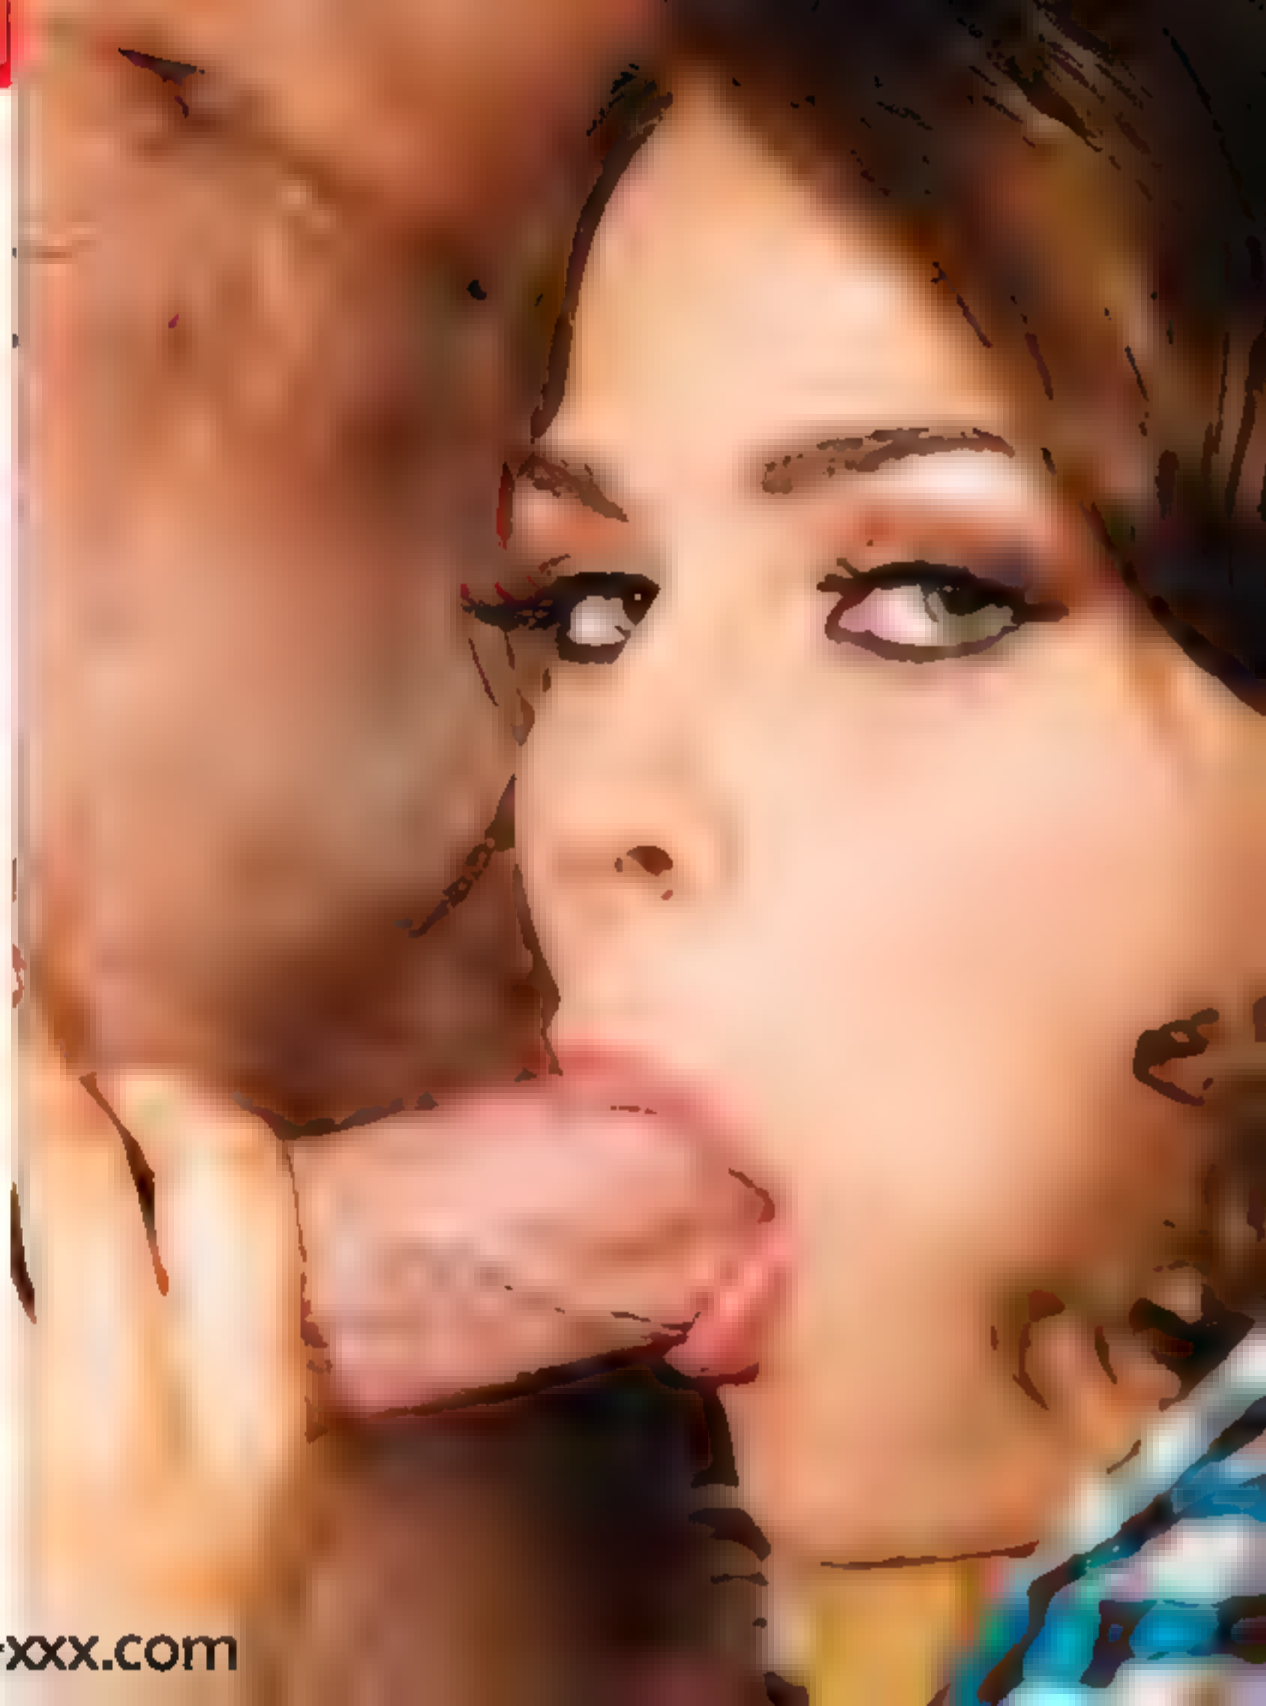

Vivid's new contract starlet Meggan Malone is out in the country one day when she sees Trent working in the barnyard. Her pussy is aching and getting wetter by the second, so she introduces Trent to her girls—the ones she's got busting out of her top! Trent drops everything, including his pants, so he can bone this nympho contract slut. Contract girls are sometimes reserved on screen but Meggan can't resist being Trent's whore—if just for a few minutes. During their boning in the barnyard tykt. Meggan gets on all fours, lies on her back, talks dirty, gets dominated, and has Trent's goosy seed shot all over her face. Now that she's gotten her inner skank out, Meggan can go back to the Vivid set and act like the princess she's being paid to be. •

## cindy & ginger

PHOTOS BY JACK HARRISON

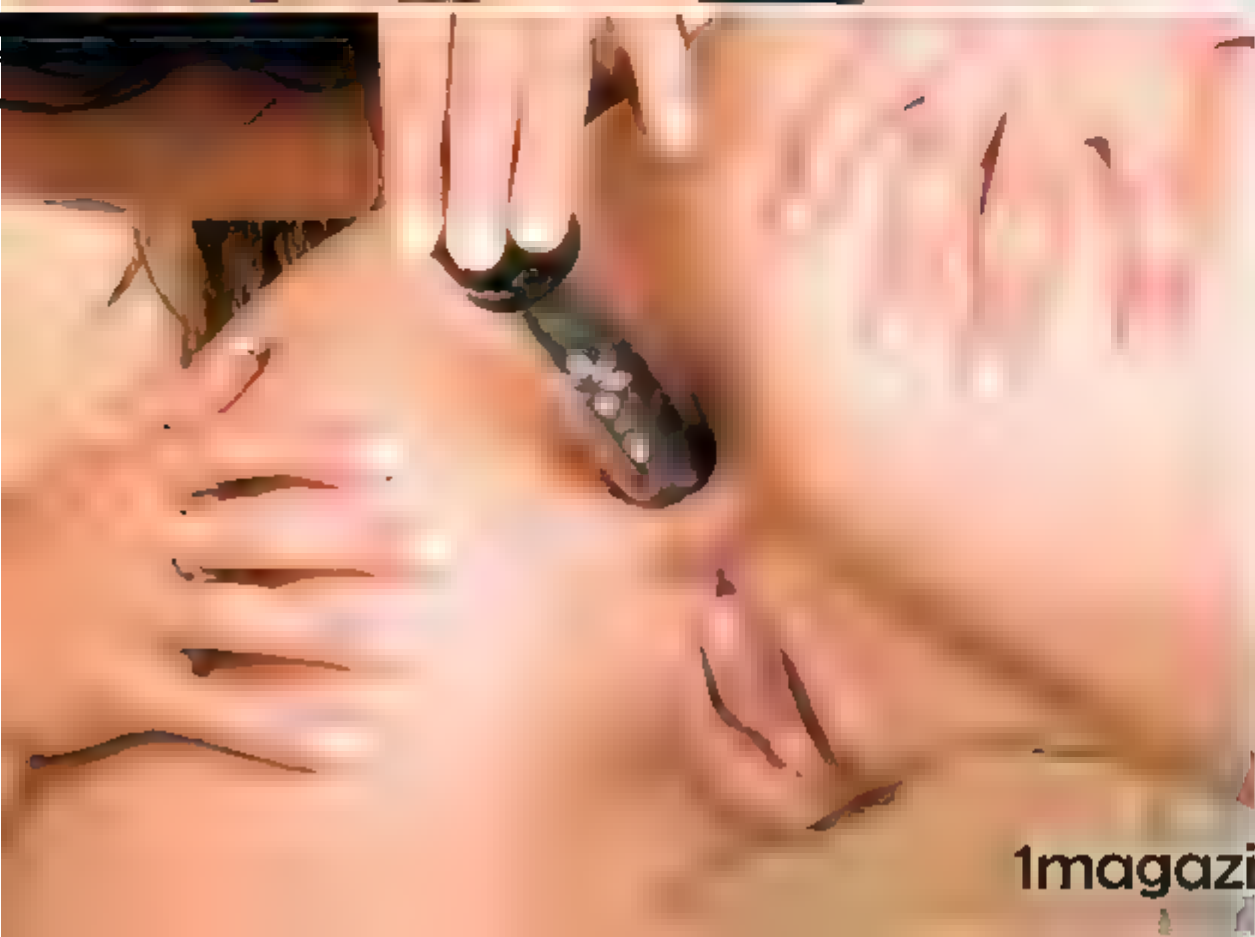

Cindy and Ginger's husbands are away, which means the girls will have time to play...with each other's throbbing cums! Cindy loves the way Ginger tastes, and takes her time licking her sweet treat. Meanwhile, Ginger loves popping her tongue inside of Cindy, and when she needs help getting her friend's holes, she takes out her silver dildo to do the job. Her husband doesn't like to fuck Cindy in the ass, so it's up to Ginger to fulfil Cindy's anal craving. It works out perfectly since Ginger's husband doesn't like going down on her, so Cindy has the task of lapping up Ginger's cunt juices. It's good to find friends who are there to help you out when you're in a jam!

## INTERVIEW WITH A POM STAR

# JENAVEVE JOLIE

### HOT TAMALE

Interview by Ginger Kelly

**Pom Valley, CA**—When Jenaveve Jolie entered porn, she carved her way through the ranks of porn's loveliest ladies. But with that incredible body and stunning face, there was no way she was going to avoid spreading her twat for man meat. Now one of the most popular babes in porn, Jenaveve Jolie is still one of the most beautiful girls in the business, and her *muy caliente* sexual appetite just keeps growing and growing. Whether she's on set ready to get stomped and banged by a hard cock, or being the centerpiece of a lesbian gang bang, Jenaveve Jolie has no plans to stop showing off those luscious Latina curves that get us hard every single time! ➔

**I love  
having  
sex so  
much  
that I  
lose  
myself  
in it.**

**First off, what is your ethnicity? You are so exotically beautiful.**  
Thanks. I'm Mexican, Aztec and Apache Indian.

**So, how does a Mexican/Native American girl get involved in the porn industry?**  
I was stripping at the Rhino in Santa Barbara when a patron asked me if I was interested in making real money through his friend's modeling agency in Los Angeles. I had no idea it was for porn until I showed up and the office was covered in pictures of naked people having sex. Although I was nervous, I started doing girl/girl scenes shortly thereafter. After a while I began integrating boys into my scenes.

**Were you always a secret smut fan?**  
Yes, when I was a teen I used to go into a lingerie store back home and buy porn flicks. I was addicted and enthralled with watching people fuck. It made me feel so dirty. I never liked to watch the sweet, soft stuff though. All I wanted to see was hardcore penetration. I was so bad.

**When you first got into the porn industry was there a performer that you had previously watched that you were dying to fuck?**  
I don't know anybody in the business. Whenever I'd get a video I just wanted to see naked bodies fucking. I never paid attention to their faces. My attention was elsewhere.

**Which male performer fucks you the best?**  
I've had some great scenes with a few but Mark Wood, Evan Stone and Nick Manning stand out to me right now. They know how to handle me and the sexual chemistry was intoxicating.

**Which female performer fucks you the best?**  
Daisy Marie, Silvia Rose and Sandra Romain all knew how to please me. Those ladies were so easy to work with and got me off. Again, the sexual chemistry I shared with each of them couldn't be ignored. I could never get enough!

**How many scenes have you performed in?**  
I've been in the business for four years. I haven't kept track but I know I've fucked a lot. A whole lot! When I first got into the industry I was working every day. Then after a while I slowed down to just performing a few times a week. I think I officially lost count after the first month. Fast forward to four years later...you do the math.

**What are you best at sexually?**  
Give a great BJ. You know what, I'm changing my answer. I'm good at everything. I am a

I squirted once for a movie I shot with director Axel Braun. I didn't enjoy that sensation too much. It took a long while for a small puddle to come trickling out. It was kind of uncomfortable actually.

**Is it easy to make you cum? What is the best way to get you off?**

It's extremely easy to make me cum again and again. I love to be grabbed and require lots of hands-on contact. If I'm on top I want the guy to put his hands all over my stomach, neck and tits. For me, orgasms are mental. I can be brought to orgasm by sheer thought alone. It also helps if I've got a tongue between my

Yes, I was with a girl was I was eighteen. I was invited to

gm. I giggled and said no. They started laughing at me.

and said I couldn't leave until I made out with a girl. So I made out with every girl at the party and fucked the shit out of one of them before I left. I loved every second of it!

I've seen you "warming up" with a cliff buzzer before your scenes. Is that how you get ready for them?

Oh yes, I love warming up with a vibrator. It really opens up my pussy and makes me nice and wet. It helps to get me going. That's my secret! Plus, vibrators help make my orgasms so much better and stronger. Never leave home without one.

**Do you enjoy using toys during sex? If so, which ones are your favorites?**

Any kind of vibrator is a welcomed addition to my bedroom play as long as it's small enough and doesn't get in the way. A little "pocket-rocket" is great. Don't use it in every encounter but rather on those special occasions when I want to come a little harder.

Is there anything sexual you do in your personal life that you haven't done on film. yet?

i've never done anal on film. I tried it once in my personal life and didn't like it. I think I was just scared and couldn't relax enough to get the cock inside. My

asshole is small. If I bent over in front of you my asshole would remain closed. Girls who do anal have a tiny blossom around their bung. Believe some assholes are just more elastic than others. Just like pussies, some can take a lot and some can't. In scenes I've had girls bend over in front of me and I can see clear up their butt hole. The dildo just rests right inside, no stretching needed. What can I say? I've been blessed with a tight ass.

**What is your favorite position?**

Love spoon because in that position I can be ravaged all over. My tits can be tweaked, my clit rubbed, and my stomach grabbed. I also love doggie, with my butt arched high up in the air.

**What is the most sensitive part of your body?**

My nipples. I love them to be played with, as long as the play is soft and sweet. Hate when people are rough with them. Treat my nipples like you are petting a precious kitten. That'll make me purr!

**If a person wants to get in your pants what should they do?**

Well, they would need to act as though they didn't want to get into my pants. I love the challenge. They need to play hard to get. Also, a funny guy who is a bit nerdy is a total turn on.

**If a person wants to get into your pants, what shouldn't they do?**

They shouldn't be all over me. I can't stand that. Also don't give a shit about how much money you have or what cars you drive. If all the guy does is talk about him self I'll lose interest. If you come in playing that game know me. My panties are not dropping.

**What is an absolute turn-off for you? Seriously, game over.**

A really sloppy kiss is a deal breaker. It doesn't matter if the guy is super hot and we're getting along really great. If your tongue isn't doing it right or is darting in and out of my mouth, that's it. It's over. If you can't kiss you can't fuck. Period!

**If you were making your own movie, who would you choose for your fantasy cast?**

Nicole Scherzinger (Pussycat Dolls) is absolutely stunning and would play my girlfriend in the movie. I'd also cast Carmen Electra as my mistress, the girl I cheat on Nicole with. And finally, I'd cast Tyra Banks. She'd play the smart and sexy therapist that would help me put my life back together. It would be an all-girl cast. There

will be no sausage products included in that particular production.

**Where's the most unusual place you've ever had sex?**  
I once had sex for a movie in the middle of the desert. It sucked because I was hot, dirty and didn't have bathroom facilities. There were cactus plants everywhere that kept on getting stuck in odd places. The sex was good and it looked awesome on screen but desert fucking is not my idea of a good time. There was no place to wash off the splooge.

**What is the perfect pussy like and who in the business has it?**

Well, I can tell you. I do not enjoy girls with pornstar pussies. I was once doing "Night Calls" with Jesse Jane and had to simulate oral on a girl who had loose meat

between her legs. The girl was standing on her knees with her legs open and her labia was literally hanging inches below her outer lips. It looked like a fucking turkey gobble! Like nice, compact pussies that are well groomed. Sotira Rose, Daisy Male and Olivia O'Lovely all have nice and delicious pussies.

**Do you prefer to be dominated or submissive?**

I'm more submissive. I love a man to take complete control of me. I want to be grabbed and pleased. Do with me what you will. With girls I'm a little more dominant. I'd actually rather have them take over. I just want to be fucked. What are you waiting for? Come over and fuck me!

# X-PLAY'S **NOT BEWITCHED XXX**

AMERICA'S FAVORITE WITCH!

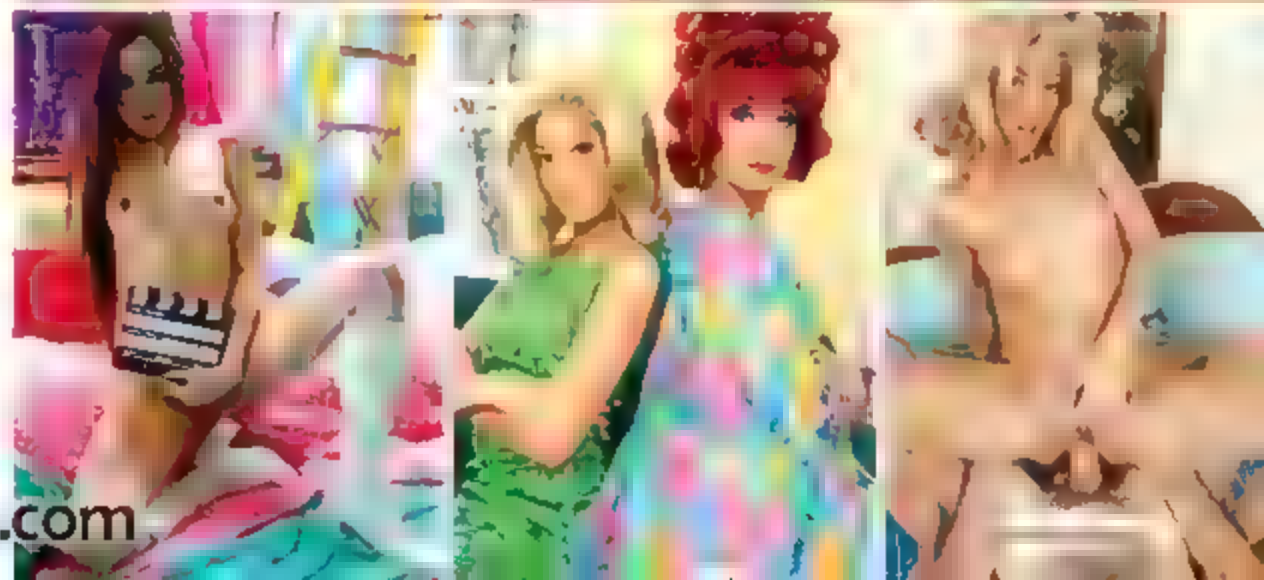

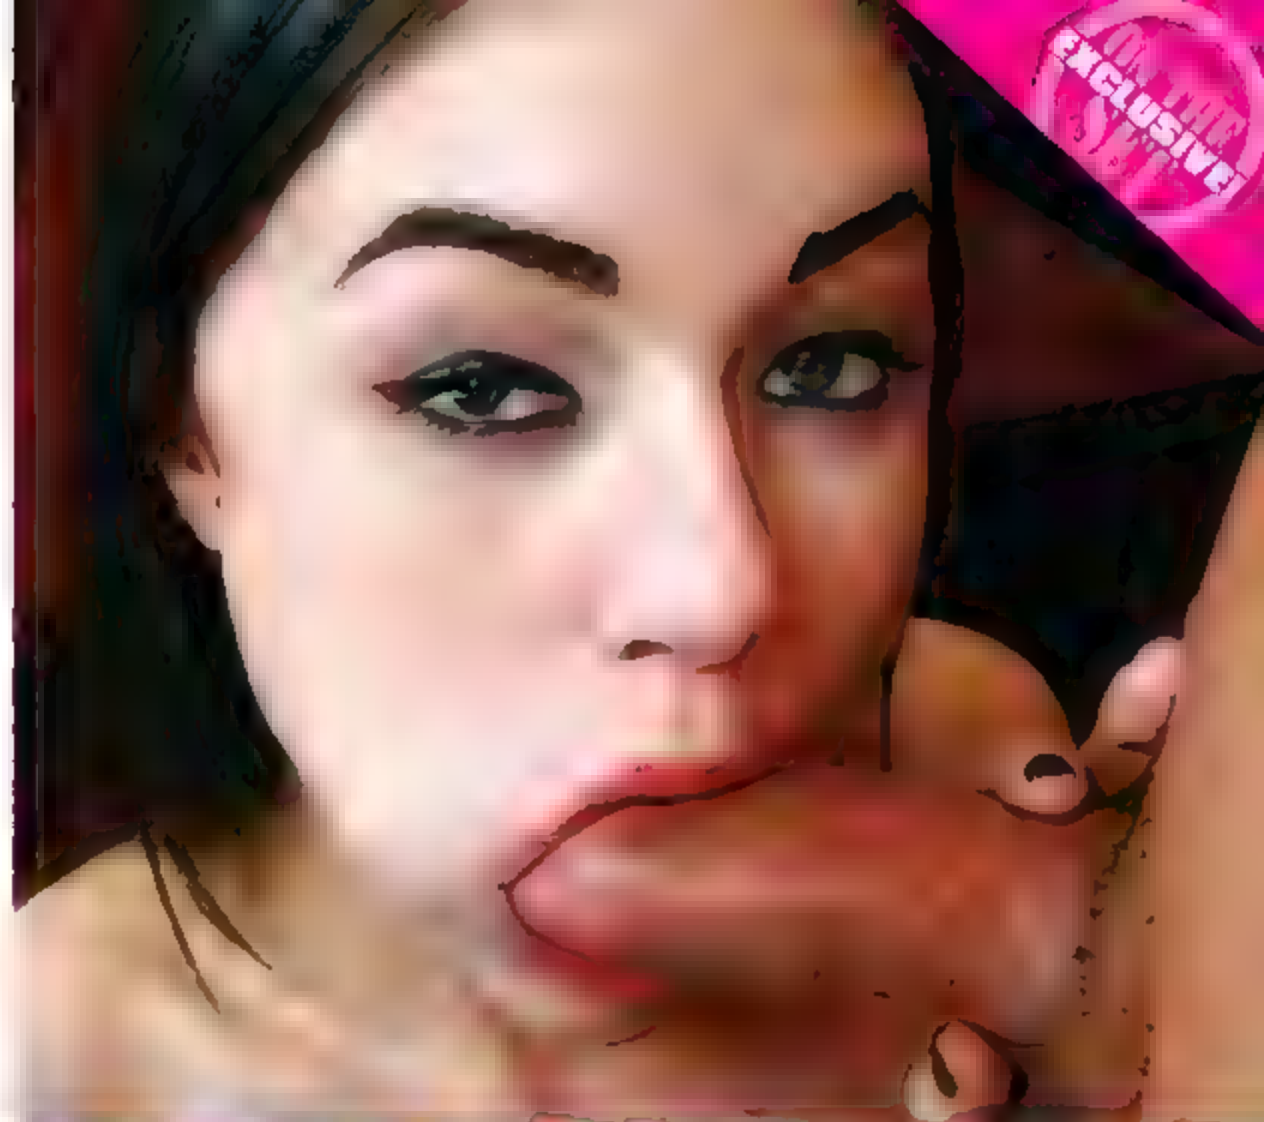

by Bobby Greyhound

PHOTOS COURTESY OF X-PLAY

I love old TV shows almost as much as I love porn, so when I was offered the assignment to cover the shooting of X-Play's *Not Bewitched XXX*, I jumped at the chance. When I arrived at the quaint blue house in the Studio City section of Los Angeles, I was immediately transported back to the innocent years of the '60s when suburban life was beautiful and America was filled with optimism. Director Will Ryder was busy setting up his next scene and I was ready to watch TV's *Bewitched* get spooled. ➡

1magazin-xxx.com

Now if you're old enough to remember the series when it first aired you understand what was witnessing. But if you're not, I'm sure you've lived through years of reruns starring sex kitten Elizabeth Montgomery and her eager to please straight-faced husband 'Darren' when walked on set. ran right into an exact replica of his meddling mother-in-law 'Endora' being played righteously by porn legend Nina Hartley.

I introduced myself to director Will (Not the Brady's 2006 Ryder who was totally at ease and in control of the action as he juggled a cast of fifteen, and a crew of ten with the experience of a veteran patch-smith.

With a multi-see all-star cast including Teagan, Jenna Haze, Eva Angelina, Sasha Grey, Sunny Lane,

Aurora Snow, Dolly Layne, Kandice Nicole, Kelly Skyline, Madison Ivy, Winter Sky, plus legend Ron Jeremy and Nina Hartley. I realized I was on the set of a blockbuster reached for a copy of the script and read the synopsis which had me laughing and sick to see the action. It read: Darren & Samantha have a big problem when Aunt Clara can't undo a spell cast on little Tabitha, that accidentally turns her into an 18-year-old cutie.

arrived during a kitchen scene as the family discussed what to do with their suddenly-legal daughter. Tabitha, played by real-life nympho Teagan. Before I knew it, the cops were at the door, the horny neighbor Mrs. Kowitz, played by Michelle Avanti, was about to get fucked up the ass by a 'colored man' and Eva Angelina playing

## NOT BEWITCHED XXX

the bumbling Aunt Clara, was looking forward to fucking the pizza delivery boy.

After some funny dialogue it was time for superstar Jenna Haze, in the role of Samantha, to fuck her loving husband. "I really don't have a lot of experience doing features so this is something new to me," the gonzo sex queen admitted to me just before the action started.

Turns out Ms. Haze handles her feature acting quite nicely, and before long she and "Darren" (played by porn vet Mike Horner) are savagely fucking while the crew watches in rapt silence. Horner blasts a load over Jenna's smiling face and Ryder yells cut.

"Wow, that was fun especially considering it was the first sex scene of the day," Jenna told. I asked her how it is having sex with total strangers and she told me that she just loves to get fucked. "You know, I really enjoy fucking so as long as the guy has a hard cock and I can get off, I'm down."

Meanwhile, director Ryder has retreated to the back yard guest house, which is a beehive of activity with a catering table and tons of women in various states of undress prepping for their next scene. Sunny Lane walks up to the director and puts her arms around him in an adoring sort of way. "I love Will," she says.

Over in the corner, an entire table is dedicated to lube, douche and a package of enemas, reminding me that this is definitely a porn shoot but everywhere else I looked, it seemed like I was on a television set watching an episode of Bewitched being raped right before

my eyes.

I couldn't believe it as the Hedgehog himself, the legendary Ron Jeremy, spotted me as he was completing an interview with a radio station. Yes, radio stations now cover big porn shoots.

"Hi Ron, how you doing?" I asked him but I could see from the young fan that was naked by his side that he was in good company. It seems the fifty-something-year-old porn star can still get plenty of pussy making my simple life seem that much more of a struggle.

"This is a funny movie," Jeremy said. "I was in Will's Brady Bunch spoof as well. I played Sam the Butcher. Will Ryder is the real deal and ~~the greatest director~~

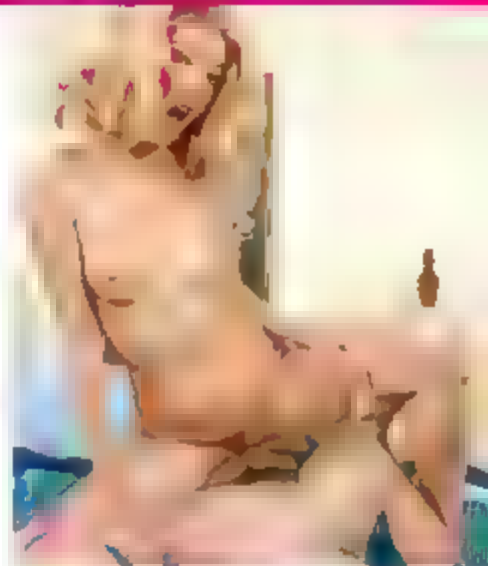

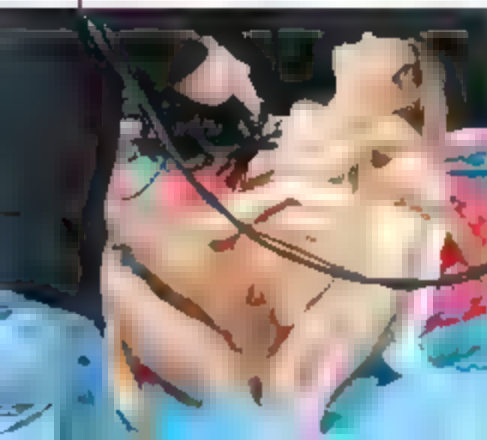

The next scene shot featured 18-year-old Tabitha magically using her powers of witchcraft to change a little doll into a full-sized guy. Teagan twinkled her nose, and suddenly the 12-inch doll became a full-sized James Dean. Grabbing him by the hand, she led him to a bedroom where she began teasing, experimenting and removing his clothes. Although Teagan is hot as hell, she played the part of a virgin quite well before taking his entire cock face-first down her throat. Her tongue raced up and down his shaft as he face-fucked her in total hardcore style as a river of spit dripped down her hand and onto

"Sweetly," came the plea from the director but there was no stopping this duo as they were born to fuck each other.

Her pussy was dripping and he wanted a taste so Dean positioned her cunt directly in front of his face so he could begin sucking and sliding on her pussy lips. She bucked her body forcefully against his face as she wanted to cum desperately. The two merged into a 69 position, pressing her asshole against his nose as he inhaled the turn of

the camera.

I've seen a lot of porn scenes being shot but I swear these two were oblivious to the camera and the crew. They fucked as if nobody was there, ignoring the director and his command to take a break as his crew needed to solve a camera hard drive problem.

# NOT BEWITCHED XXX

Fifteen minutes later Ryder returned to the still fucking couple saying, "hope you guys didn't fuck yourselves out, did you?" Still no answer, just more fucking as the duo continued to hump in a wild variety of dirty positions. The director simply picked up his camera, waited for the lights to hit full strength and started to shoot what was destined to become the hottest scene of the movie.

Teagan was left with a blistering cum facial of about seven hot direct spurts of jizz from Dean's cock, that left the starlet dazed and seemingly confused. Fuck drunk the crew would later call it as she stumbled to her feet and attempted to retrieve her clothes.

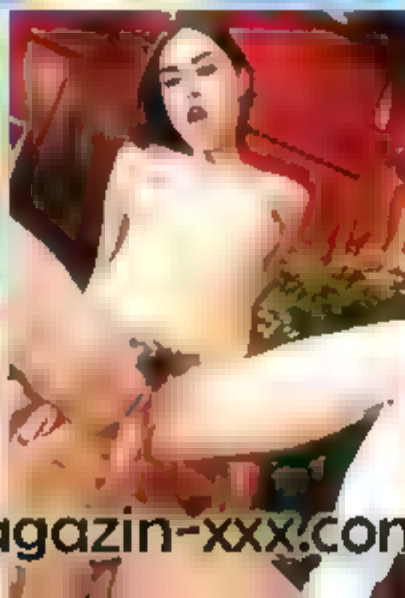

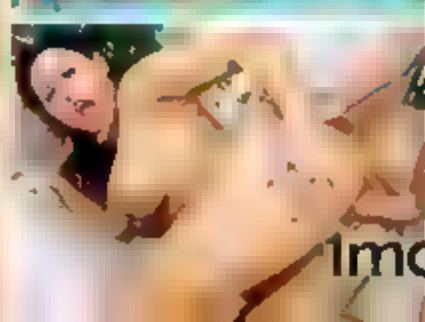

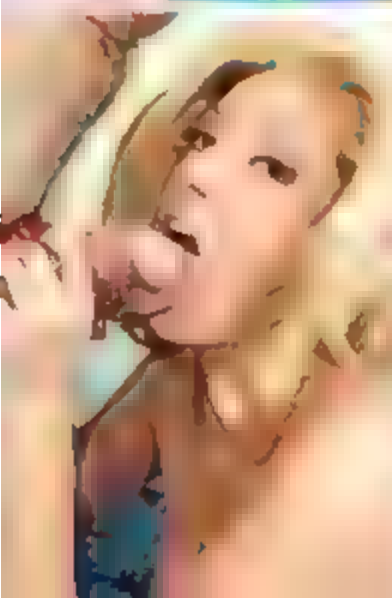

There was one other scene that just had to see and that was the eight girl orgy that took place in a large room the director called the Al-Baba room. Now this was a sight to behold, with large colorful panels of fabric dancing from the ceiling, soft cushions and hundreds of colorful pillows amidst eight gorgeous girls in Arabian nights attire, and Ron Jeremy.

Ron Jeremy? That's right, it was a massive lesbian orgy and Jeremy, playing the role of Dr. Bombay. Everywhere

looked there where beautiful faces, tits, asses and juicy vaginas all making love to each other as the Hedgehog observed the action from his throne-like perch. Ebony beauty Kandice Nicole was busy eating out Madison Ivy's cunt, and Sunny Lane was busy taking on Aurora Snow and a few other cute young things, including an enthusiastic Kelly Skyline that ate just about every pussy in site, and a few assholes as well.

Not Bewitched XXX has a special magic about it and will no doubt be one of the most popular porn movies for 2006 when it is released by X-Play. You can check out more action at [www.notbewitchedxxx.com](http://www.notbewitchedxxx.com), and watch some video clips as well.

I was happy that I got to witness some incredible action by some of the hottest girls ever, and any movie with a cast like this, and a concept as cool as Not Bewitched XXX, is the shit. I was just glad I got to cover the action and sneak behind the scenes for CHER Magazine. I hope they send me to cover Ryder's next project, Not the Beverly Hills XXX. Damn, I'd like to fuck Elle May Clampett! lol!

# gita & rita

penis art scene

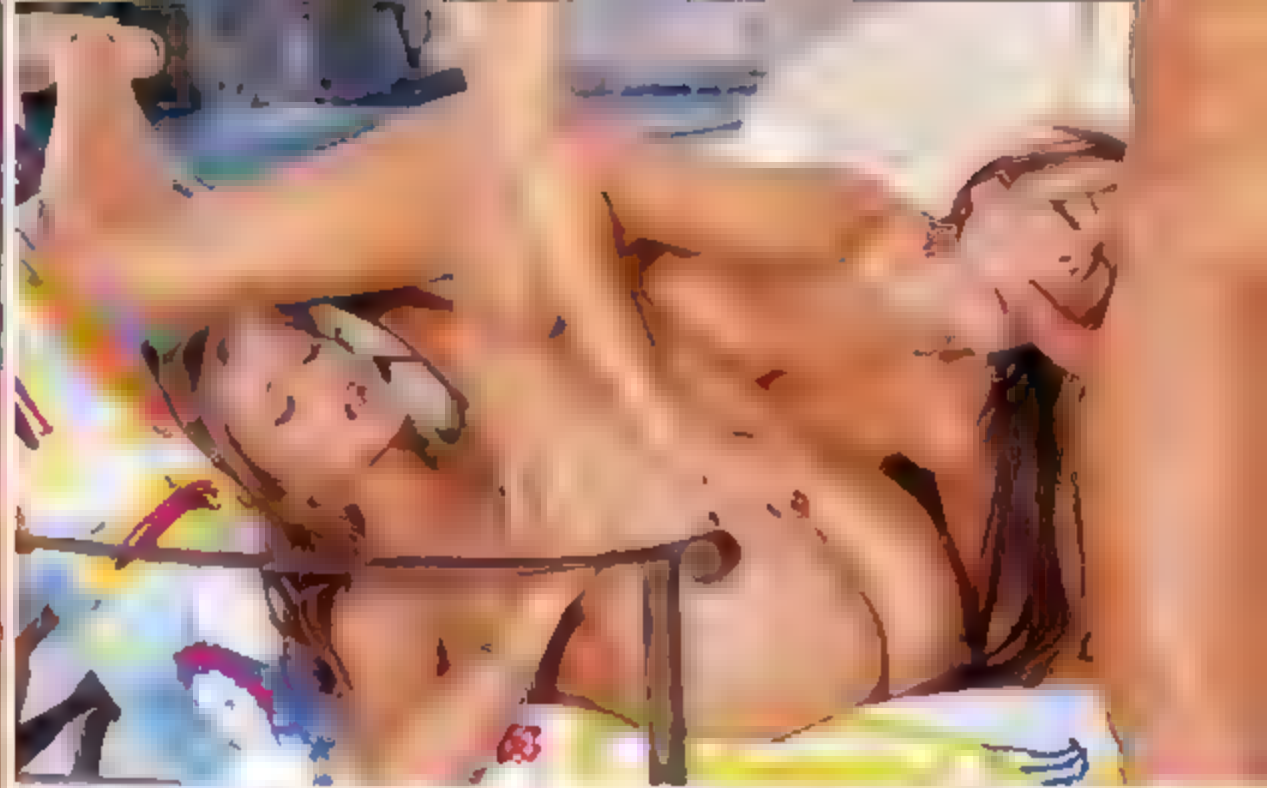

Jean Val Jean and his sexy wife Rita are checking out their sexy cabana neighbor, Gia, who's been rubbing her clit all day long. They decide they should help relieve Gia of her sexual tension by using her pussy with hard cock. Rita whispers into Gia's ear that her husband's cock is hard and throbbing, and ready to bang. Gia rushes over, sucks his dick, gags on it, gets it really wet, then calls Rita over to share. "Enough cock sucking, I'm ready to ride it," says Gia. She sits on Jean's prick as it goes in slowly and deep inside her wet snatch. Gia screams as her pussy juice drips down Jean's cock. Rita, sitting on the side and rubbing her pussy, pushes Gia off and rides Jean until her own pussy juice is soaking Jean's cock. These two new girlfriends share Jean's rigid joint until he shoots one giant load over their faces. What a fuck! It's time for Gia to go. She's gotta get home to her husband and kids. •

# DANCE FIRE

THE ULTIMATE NUDE DANCE SHOWDOWN—THE EXOTIC DANCER  
NATIONAL CHAMPIONSHIPS 2008, AT THE PINK PONY SOUTH!

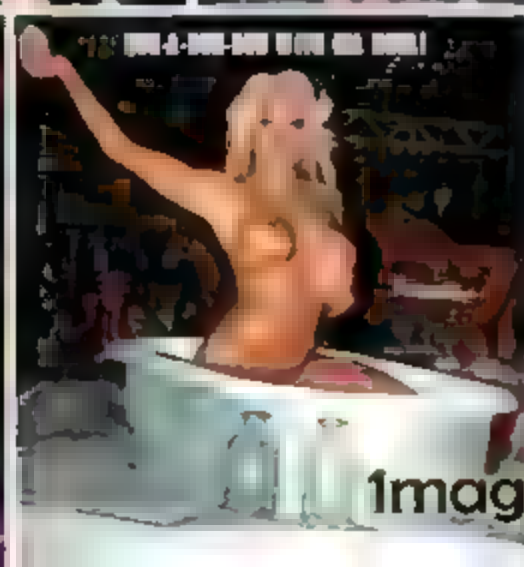

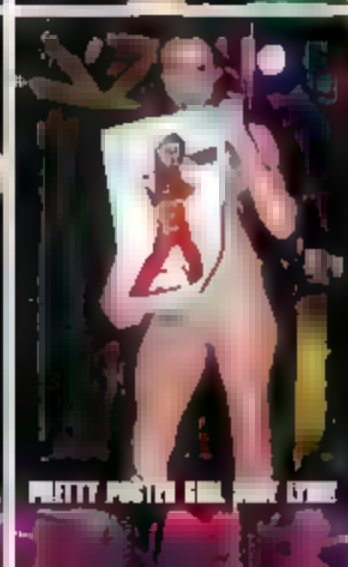

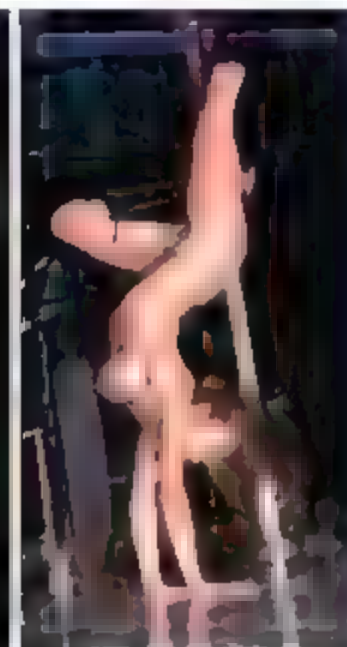

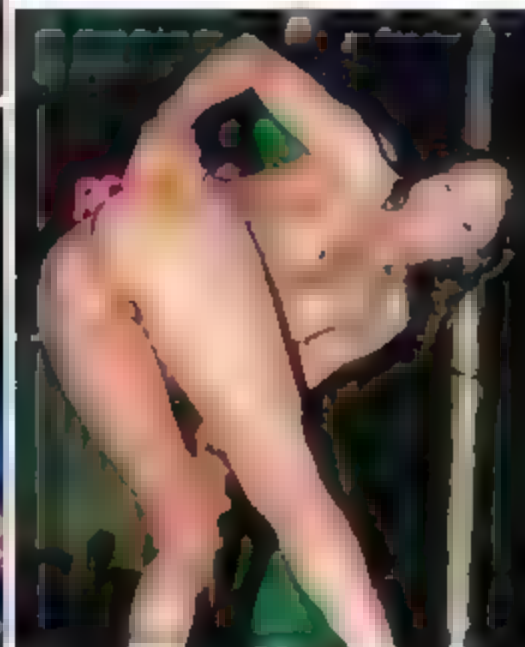

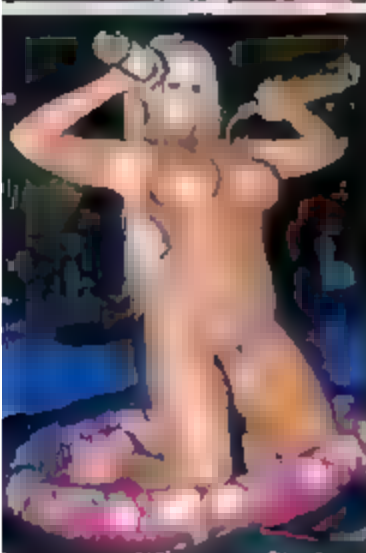

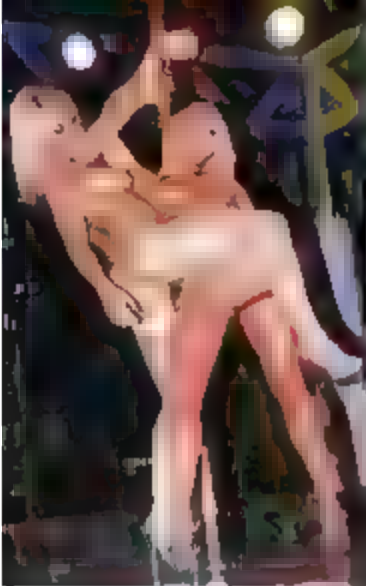

1magazin-xxx.com

## A WEEKEND TO REMEMBER

From May 29 to May 31 The Pink Pony South hosted what's known as "The Oscars" of exotic entertainment—The Exotic Dancer National Championships, 2008. Sponsored by Exotic Dancer Magazine, the feature entertainment competition is regarded as the most prestigious contest of its type in the country. Each year, only the very best exotic dancers from all over the USA compete in this invitation-only event.

Girls from every part of the country—from the hottest gentleman clubs to Pom Valley—gather each year to strut their stuff, show their muffs, and wiggle their tits and asses for the masses who gather to watch these undisputed dance queens take home the grand prize—being crowned the nation's number one exotic dancer. What better way is there to spend a weekend than with ladies who know how to walk a "pole" better than anyone in the business?

FLASHDOWN!  
SCHEVELLE GETS  
STOKED & SOAKED.

## THE WHO'S WHO OF JIGGLE QUEENS

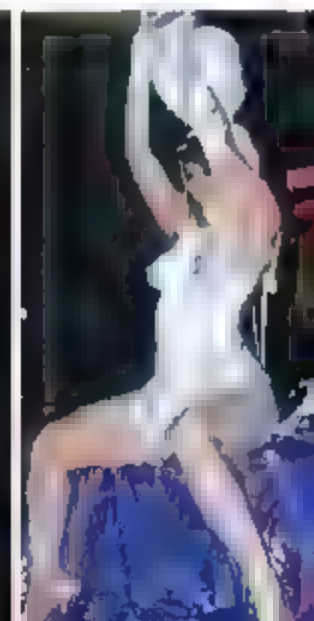

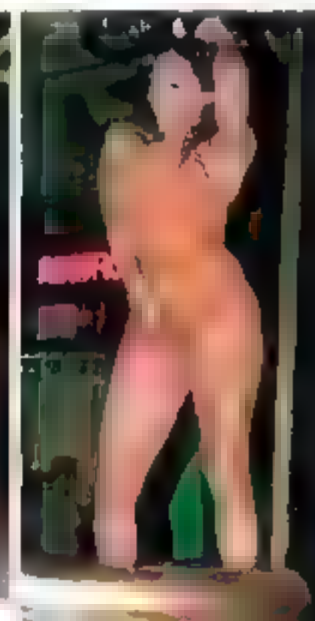

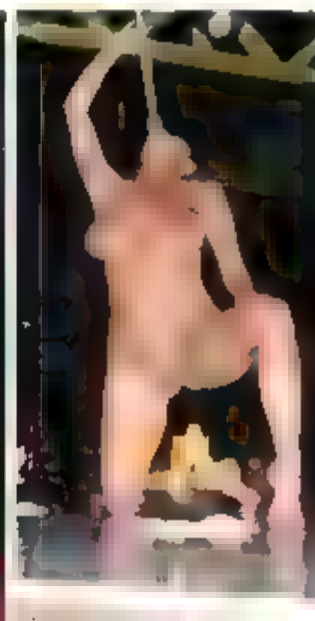

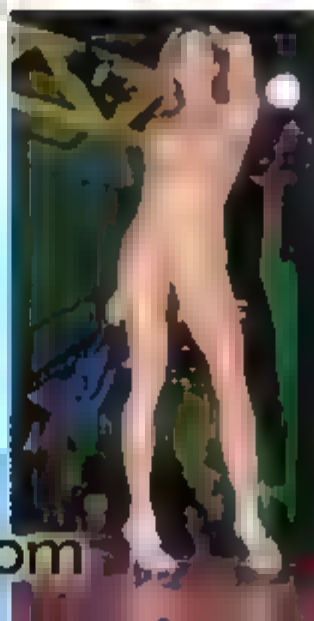

For three days, contestants compete for major cash and prizes. With over 24 contestants in two divisions, there is something for everyone. The "Newcomer Division" is for entertainers with three years or less of professional exotic dance experience, and the "Masters Division" is where the experienced pros take over the stage to entertain and excite us with incredible show, amazing costumes, wild antics, special effects and more!

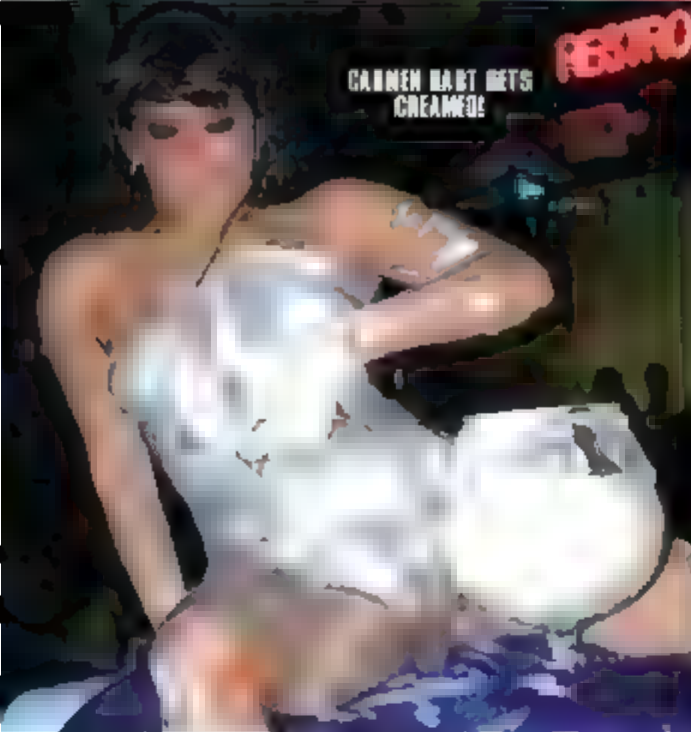

Among the girls who competed in this year's Masters division were Tanya Taylor, Felony Foreplay, Tatianna Stone, Angelica Wild, Carmen Hart, Shay Lynn, Dany Duse, Dayton, Schneelle, Rain, Dakota, Robyn Fox, Hailey Heart, and Brandie May.

The winner of this event is automatically nominated for Exotic Dancer Feature of the Year 2008, and performs on stage at the Gentlemen's Club Expo in Las Vegas.

As one of the most recognizable names in the exotic feature dancing circuit, Wicked Pictures contract beauty Carmen Hart was a hands down favorite to win, after being nominated for the honor last year. Carmen, who is gunning for her fourth major title since 2006, has won Miss Exotic International 2007, Exotic Performer of the Year 2007, Miss Nude 2006 and Exotic Dancer's Newcomer Feature of the Year 2006.

"It is an amazing feeling to work so hard for something and be rewarded for it," Hart said. "I can only hope that my talent, my personality and my effort shine through. I wish all the girls luck and look forward to a memorable week."

## AND THE WINNER IS ...

As expected, Carmen Hart emerged victorious against the country's best feature dancers, capturing the title of 2008 Exotic Dancer National Champion.

"I'm so lucky. Between Wicked and my feature career, I couldn't ask for a better life," Carmen said. "It's wonderful and I'm so grateful to be blessed with all these wonderful opportunities."

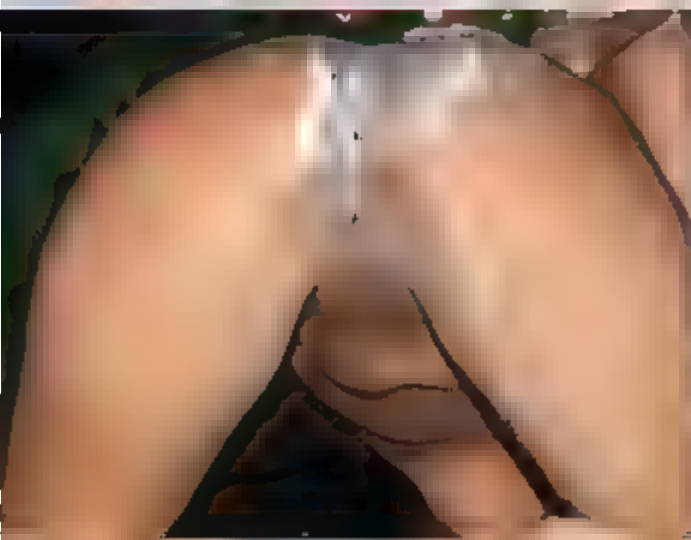

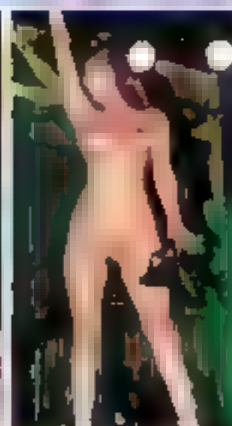

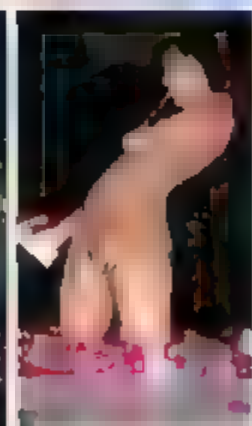

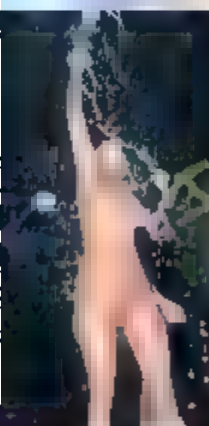

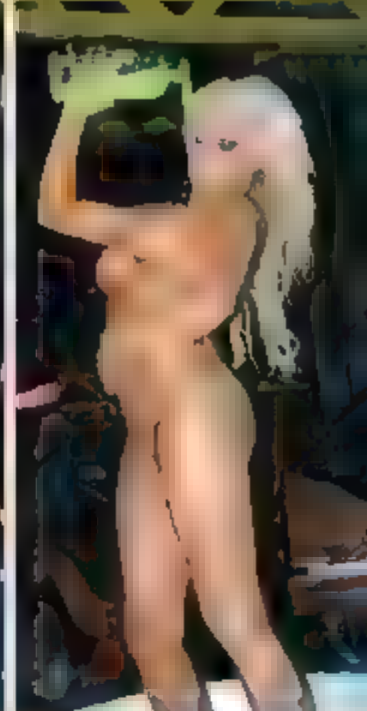

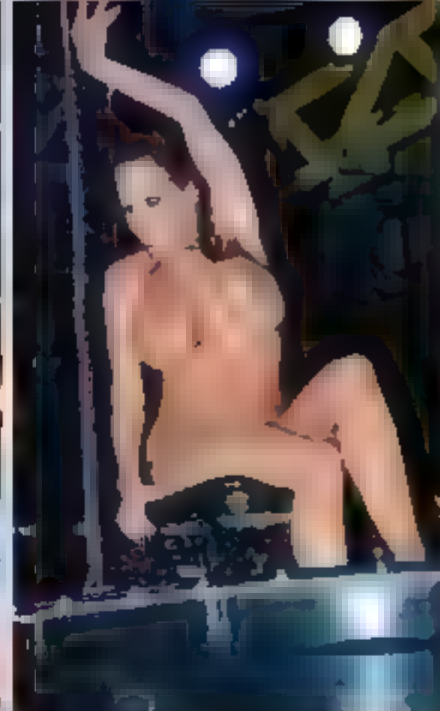

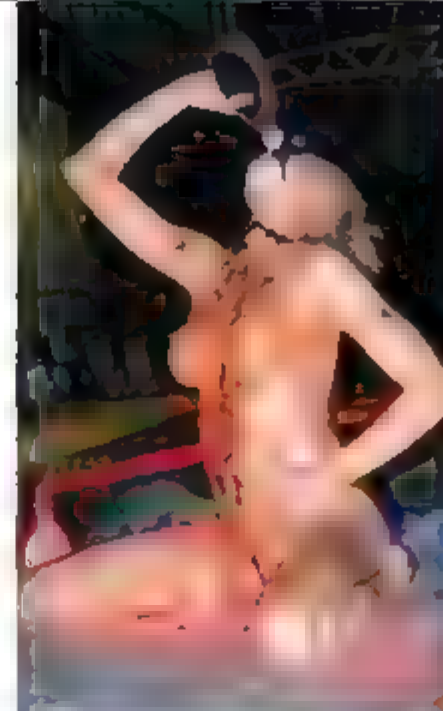

Leading off with her signature gangster routine to "Smooth Criminal," Carmen then dazzled the judges with "Dude Looks Like a Lady" before wielding a confetti cannon to "Whoop There It Is." To close the show, she did burlesque to "Cry To Me" and then doused herself with water and milk from a sack of black water balloons hanging from the ceiling as the song "Let the Bodies Hit the Floor" rocked the club.

"It was a pretty quick routine, but entertaining and action packed," said Carmen. "I can't believe I pulled it off. I'm happy to win. I was worried all week. It was very nerve-wracking."

Sexy Superior Schvettie also had a big weekend at the Pink Pony. In addition to being named First Runner-up in the Masters Division, Schvettie also won prizes for Best Legs, Best Breasts, Best Panny, Prettiest Face, and Best Entertainer—the first time in the National Championship's history that one entertainer won all individual titles. You go, girl!

Curvy cute Shay Lynn was named Second Runner-up in the Masters Division in the Newcomer Division. Gio Nova earned the Grand Champion title, while Dakota and Robyn Frost were first and second runners-up, respectively.

Congratulations to Carmen and all the girls who competed—ladies, you can swing from our poles anytime!

## FILLED TO THE RIM 5 ♂♂♂♂♂

(Diabolic)

Starring: Chavon Taylor, Brianna Love, Alektra Blue, Maya Hills, Chelsie Rae, Harmony

We love watching sexy ladies get hammered, and that's exactly what this lineup in *Filled To The Rim 5* is all about! Alektra Blue gets right down to "fucking" business. She starts things off by rubbing her sweet cunt before getting her knees dirty. She is so super excited to ride a cock that it gets me hot, too. She gets rammed for 30 minutes straight. Impassioned Brianna Love gives us a nice look into her holes and then rides a dick so hard I started feeling sorry for the dude. The girl has got stamina. Chavon Taylor feels herself up for a bit before doing her first anal scene. I got so turned on when a broad can suck her own nipples like—can. Chavon throws her ass in the air like a pro, and is ready to go Greek. Chelsie Rae starts by deep-throating a massive chrome dildo spread eagle on the floor. Harmony DP's herself, shaping herself as a Boston crab while she fucks her filthy fuck holes, all the while looking stunning. Maya Hills gives a great finale. She can't get enough of anything or anyone in her hall. Love seeing the desperation of wanting every hole fucked. It reminds me that I'm not the only insatiable broad around.

## HIGH DEFINITION ♂♂♂♂♂

(Club Jenna)

Starring: Lela Star, Kimberly Kels, McKenzie Miles, Renna Ryan, Romy Jexel, Ruby Knox, Kara Tai

Our Tort Of The Year Lela Star shows off her fabulous assets and more in her latest Club Jenna fuck flick! Lela and her pals are sex hungry sluts who all get fucked in various scenarios, each of which are derived from the kinky mind of Lela herself. Fortunately, Lela's pals are as equally sex starved as our hungry Lela is, taking on all kinds of cock, and eating out wet, dripping cunts. Lela's fantasies range from threeways, group sex, to bondage, and Lela is featured in three hot scenes herself, getting banged away in her real life fantasies that cum true! Her body is lean and tight, and is quite the size queen as she's able to deep-throat some long hard cocks, and gobble up the sticky white stuff that shoots out. We wish Lela could deep-throat our yai-to-will boners, and slurp up our jizz juice. You'll never get tired of seeing Lela, and your cock will thank you for it!

# HILLARY FOR PRESIDENT \*\*\*\* (SexZ Pictures)

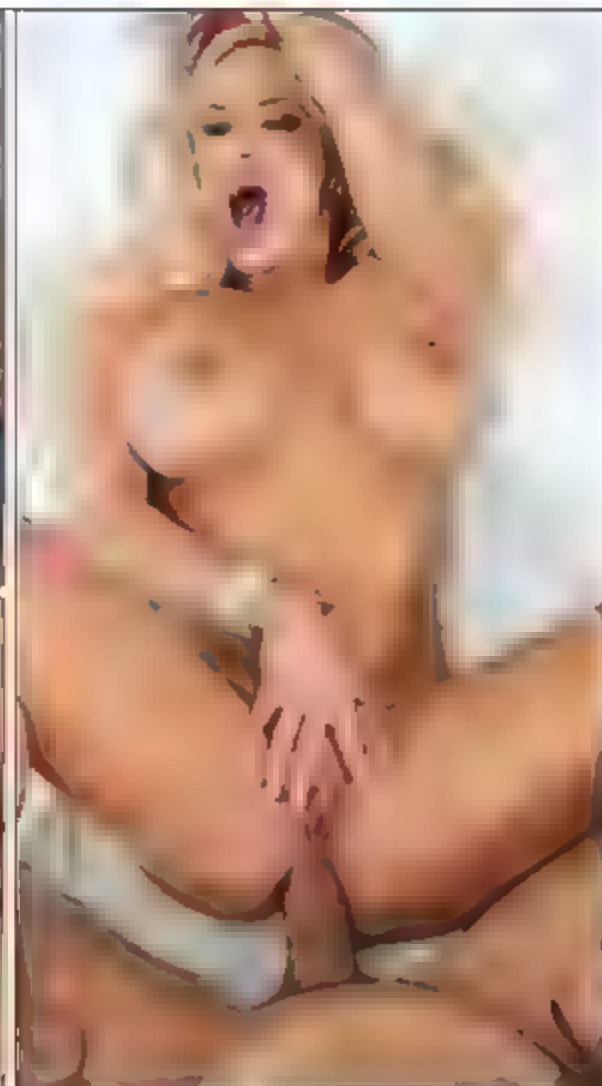

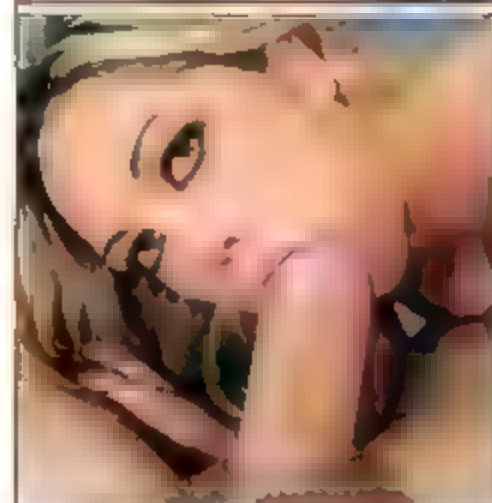

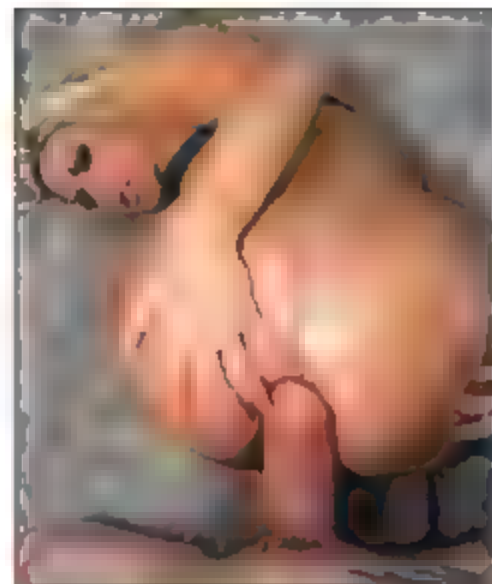

Starring: Hillary Scott, Aline, Alexis Texas, Katja Kasin, Madison Young.

Our votes this November will be going to Hillary . Hillary Scott that is. So we proudly endorse *Hillary For President* as being a tasty treat for your cock. Hillary Scott plays Hillary Scott, who is running for president for no apparent reason, other than to wear a conservative suit everyday. That won't do, as she strips out of them, spreads her ass cheeks, and lets her aide, Jerry, dive right in. Even as a presidential candidate, Hillary can still take a thick hard cock going up her rectum. It's nice to see a would-be president take it in the ass instead of giving it to their constituents. Alexis Texas' big creamy white butt makes an appearance, with her juicy tight pussy riding up and down Derrick Pierce's throbbing boner. Sneaky slut Aline wants Hillary to lose, but she ends up winning two cocks going in and out of her fuck holes. She gets her very own smear campaign of hot cum doused on her face. Katja Kasin and Madison Young are intent on helping Hillary win, and will do it by any means necessary, even if it means taking giant, over-sized cocks rammed up their asses like their hero Hillary. Head to your polls, take it out, and rub one out for *Hillary For President*!

# ANAL POV 5 \*\*\*\* (Jules Jordan)

Starring: Shyla Stylez, Andi Anderson, Bobbi Eden, Jenny Hendrix, Priva, Aubrey Addams.

If the way to my heart is through my ass, Jules Jordan is a man after my own heart. Here's a two-disc, four-hour POV video of some of the hottest nymphs getting rammed in all their holes. Shyla is definitely the headliner. In more ways than one than the rest of the smoking hot bed bunnies. She gives a nice striptease while in her on-my-back black patent heels. Once Shyla gets on her back, we get a great shot of her tight body and huge tits. Me watching bouncing tits, and Shyla's are fabulous. Next is Jenny Hendrix, who starts off doing a bit of exercising, but the action gets good when she's taking a shower, which is some of the best filming of the female body we've seen in a while. It can rub one out to Jenny in the shower so can you. Then, Bobbi Eden rides a mean dick, and that's all on disc one! Disc two has Andi Anderson playing a plumber who lets her customer lay a few pipes. Andi's boning session was vicious and inspiring. I got a bit jealous, especially when I saw her get goose bumps all over her ass as she got rammed. Aubrey Addams gives a very long striptease before getting to work with a glass dildo and anal beads. Priva wraps the film up in a sexy maid uniform that shows off her long nipples. I was surprised when she grabbed a glass dildo and fucked herself. It was unexpected, Priva had up her ass! If only I could have been one of her other ticks.

## STRAP-ON CLUB 2 <sup>\$\$\$</sup>

(Sinsations)  
Starring: Shy Love, Mya Wanna, Memphis Monroe, Michelle Avant, Pleasure Bunny, Nikki Hunter, Faith Deluca, Crissy Moon, Katrina Lili, Niya Yu.

I'm going to break the first rule of Strap-On Club and talk about Strap-On Club 2. Shy Love directs this all-girl fuckathon. If you want to see strap-on action and shaved pussies this is your film. Niya Yu and Pleasure Bunny are the first lovers under the lap. Niya straps one on while Pleasure Bunny sucks and fucks her way to numerous orgasms while Niya gives us great shots of her Asian cunt. Mya Wanna does the best job strapping on when she gives Crissy Moon a fucking that leave her pussy dripping wet. Think Mya could have taken a bigger cock to throw her ass back on, but she makes the dildo work and she is the only tart who takes it all the way in. Shy Love's scene with Memphis Monroe is one where Memphis uses her great tits and rubs them everywhere she can. Michelle Avant and Katrina Lili give us the first anal scene. Michelle gladly throws her legs back and puts her ass in the air for some bum-fucking. Katrina does the same for Michelle's mouth as she watches her tongue make her pierced pussy wet and sticky. They mix it up and go each other, and I wonder what it will take to get Michelle to get her hands off Katrina's pussy. Memphis Monroe, Nikki Hunter and Faith Deluca give us the first orgy and final scene. They are all strapped tightly in consets that make their tits easily accessible. Nikki is clearly the 'ingleader' as she dictates whose pussy gets eaten first—it's Memphis—and whose pussy gets fucked first—hers. I can't be mad at her. I'd want to get fucked first, too. They are all over one another and Nikki makes sure she gets DP'd. In the end, wasn't convinced the girls fucked one another hard enough. At times I thought they were fearful of breaking a nail. Shy Love needs to cast me in Strap-On Club 3 where I'll show them how to properly grab a sex kitten's waist, hammer her with my strap-on, smack her ass and let her know who her mama is!

or her birthday. Kathy Anderson's husband got her a romantic guitar player to come to the house and sing her her favorite love songs. Kathy just wanted cock. She's up there in years, takes care of a couple of ungrateful kids and one big baby—her husband. Is it too much to ask to get fucked once in a while, especially in her ass? Kathy orders her gift, Jonas, to unwrap himself and take his cock out, which she instantly deep throats. "Enough blowing, let's fuck," declares Kathy. He pushes her onto the sofa, and rams his cock deep, making Kathy moan louder than she ever has before. Kathy, the tough-talking MILF bitch, is now Jonas' fuck toy, submitting to his demands while she creams all over herself. Jonas flips her over and gives her the gift she wants—a hard cock up her ass. Again, Kathy moans, shivers, and shoots a load of her MILF cum. Jonas grabs Kathy and creams her face with his own hot load. Kathy's husband may be a jerk, but he knows exactly the kind of gift to give his wife! Hmmm... wonder what he's got in mind for Christmas. ■

tylar comes home, hot and horny after spending a day at the beach taking pictures of hot chicks. Tylar's also a photographer, speccalling in erotic photos of babes spreading eagle. By the end of the day, Tylar's pussy is so wet she takes her clothes off and rubs her pussy. She imagines herself rubbing her tits all over the model's body, jamming her tongue down their throats, and loking up their wet holes. Suddenly, she cums all over herself and has an idea—call her model friends over for an impromptu photo shoot. Then tell them she's posing with them. She'll get pussy, and also big bucks when she sells them. We'll buy those photos, Tylar. Just make sure the girls are completely in the buff, and look as hot as you do! •

**A**lisha King and Charlie Laine don't mind working overtime at the factory. As soon as all the male workers are gone, they quickly put away the blow torches and wrenches and pull out some other more intimate tools. After sucking and fingering each other's pussy, these two blue collar babes start going to work on each other with their hands until the wee hours of the night. If these two horny nymphs put as much dedication into their day jobs as they do into getting each other off, they'd be running the place! \*
